Corporate Profile

Founded in 1967 and headquartered in Providence, Rhode Island, Nortek Inc. is a global diversified company with leading brands and innovative, technology-driven products and solutions for lifestyle improvement at home and at work. Nortek operates within five reporting segments:

- Air Quality & Home Solutions
- Residential & Commercial HVAC
- Custom & Commercial Air Solutions
- Security & Control Solutions
- Audio, Video & Control Solutions
- Ergonomic & Productivity Solutions

Targeting a broad array of residential and commercial applications, Nortek's offerings include audio/video and security solutions, digital display mounting solutions, ventilation products such as range hoods and bathroom fans, heating and cooling products, and air management systems. The company's key markets include residential and commercial remodeling and replacement, residential and commercial new construction and manufactured housing, as well as the personal and enterprise computer markets.

The Nortek Advantage

By combining superior sales and customer service support with broad product lines, worldwide distribution channels, and strong brands, Nortek's companies have become world leaders in the supply of quality building products. These same factors ideally position Nortek to meet the ever-changing needs of its global customer base now, and in the future. With trading partners and production facilities throughout the world, our companies provide top-quality building products in such key categories as room and whole house ventilation products, specialty electronic products, and heating and air conditioning systems. Nortek's mission is to improve the comfort, security, convenience, air quality and value of homes and workplaces everywhere.
